Corporate Profile

Apptio is a leading provider of cloud-based Technology Business Management (TBM) software that helps CIOs manage the business of IT. TBM is a methodology that allows technology leaders to communicate IT's value to the business, optimize IT costs and investments, plan efficiently and accurately, and transform the traditional IT operating model.

Apptio's applications analyze financial and technical data to provide facts and insights about the cost, value, and consumption of technology so CIOs can make faster, data-driven decisions. These purpose-built applications help IT leaders align technology spend to business outcomes and automate IT processes like cost transparency, benchmarking, showback/ chargeback, operational efficiency, and planning.
